

I think the allowance of cell phones inflight is not only unsafe, but absurd. Pax thes days are already frustrated w/full flights & cramped quarters!!!! To have someone next to them yapping away on a cell phone, being inconsiderate to everyone around them is unnessessary. It is proven everyday in public people don't care about anyone but themselves. I would be completely annoyed & disserved if I had a cell phone yapper next to me on an airplane!!!! So don't allow it....keep the sanity....AT LEAST ON THE AIRPLANE. Let peaople continue their selfishness outside a confined space. On the flight crew side it is UNSAFE!!!!!!!!!!!!!!
